Form REG for an existing source that recently verified jurisdiction is EPA, not UT.

Subject: Existing Source Registration EP Energy Fowles 1-26A1

Claudia,

On behalf of EP Energy E&P Company, L.P. attached is the Existing Source Registration for the Fowles 1-26A1 site. This is one of the sites that I received verification of coordinates from you on June 12, 2019.

This site began production in 1984 and had been operating under UDAQ jurisdiction until late 2018 when it was rejected from CAERs when registering small sources under the PBR program and notified by UDAQ it was no longer under their jurisdiction.

Please let me know if you have any questions.

Thanks,
Julie
